## 8. Pakistan

Ayub's recent visit to Peiping appears to have been only moderately successful, despite the glowing joint communique issued this week. Each side was probably disappointed with the other's statements of support on key issues. The Chinese news agency, in relaying the text of Ayub's remarks on Vietnam, omitted his call for "peace with honor to all interested parties." Ayub, in turn, was undoubtedly displeased with Peiping's failure to give him more than the usual vocal support on the Kashmir issue.
